The image shows a screenshot of the Coursera virtual classroom interface. On the left, there is a sidebar menu with the Coursera logo at the top. Below the logo, there is a 'Lessons' tab and a 'All Course Content' section. The course is identified as 'Lesson 3 of 5: Elements of a Healthy Kitchen'. The menu lists several items: 'USDA nutrition guidelines' (8 min), 'The Six Ingredients Every Kitchen Needs' (4 min), 'Practice Quiz: Elements of a Healthy Kitchen' (7 questions), and 'Stocking a Kitchen Pantry' (5 min). At the bottom of the sidebar, there are buttons for 'Previous Lesson' and 'Next Lesson'. The main area of the interface is a video player. The video shows a woman in a dark blue sleeveless top standing in a kitchen, gesturing towards a counter. On the counter, there are various ingredients: a bowl of oranges, a whole apple, a whole onion, two lemons, a small white container, a larger white container, and a bottle of olive oil. The video player has a progress bar at the bottom showing '0:11 / 2:30'. Below the video player, the title 'The Six Ingredients Every Kitchen Needs' is displayed.
